VINTAGE COLLECTION

Having your own wine cellar at home is not only a wine collector's dream, but it can also increase the value of your property. The designs of Spiral Cellars allow wine to be kept in perfect condition and access to the cellars is through a trap door in the floor of a ground-floor room. Two designs are available: the Mini Cellar (below left), 1.35m-1.6m deep, which stores 770 bottles maximum, and the Spiral Cellar (below right) from 2-3m deep, which stores up to 1,600 bottles. Prices start at £8,225 for the Mini Cellar. Contact 0845 241 2768, spiralcellars.com.

SECRET ADDRESS BOOK *Richard Smith*

I am passionate about the history of fabrics and **Francesca Galloway's** gallery has everything from antique oriental pieces to post-war British textiles. **Strand House** in Rye has an eccentric collection to create a distressed look. For flowers, **Shimizu Flowers** combines English flower arranging style with the simplicity of Japanese floral design.
