Cocktail of the month...

The Peach Cosmo

The Cosmo isn't really ever going to go away as the ultimate girly cocktail thanks to the Sex and the City ladies. So it is refreshing to see venues such as the Living Room, Liverpool, experimenting with the timeless drink by using sweet summery ingredients in preparation for long, balmy evenings out. With refreshing peach, cranberry and flamed orange, this is a nice spin on the classic cocktail for the Summer months and is sure to get the tastebuds going.

The Peach Cosmo has the following ingredients:

- 2 measures / shots of Ketel One Vodka (30ml)
- 1 measure / shot of Pallini Peachcello (15ml)
- 2 measure / shot of Cranberry juice (30ml)
- 1 squeeze of fresh lime juice
- Flamed orange zest

Shaken and served in a chilled glass.
